November 16-20, 2017

'Bienvenue!' Nous aimons enseigner la musique! C'est notre coeur! C'est la vie!

Welcome to the 2017 LMEA All State Concerts. Our All-State student members are the 'best-of the-best' in Louisiana. They are chosen from rigorous auditions, district and state. Their musicianship and academic excellence are among the finest in our parish school systems. Congratulations to each student selected as a member of an LMEA All-State performance group. We are honored to have the support of families and community members in every concert audience. We are certain that you value the inclusion of music instruction in the education of your son or daughter. You have every reason to be proud of the accomplishments of these talented and disciplined young musicians. I am certain that you will appreciate the artistic level of performance achieved by our all-state students, their dedicated teachers, and their renowned guest conductors.

The LMEA Board is a partnership of 31 music educators who invest their time and ingenuity into the excellence of this conference. Please note the names of our friends listed in the concert programs who provide instruments, risers, and other needed resources for our musicians. The business community is represented on-site with exhibit booths from local, state, and national companies that offer products and services available to our membership. We also join with university staff across the state to give our students the opportunity to connect with options for higher education. Our universities are second to none in the nation.

To begin our concerts, we recognize and award those who have made outstanding contributions toward excellence in music education: Administrators who advance the arts in their school or parish system; music educators who display major accomplishments within their first five years of teaching; and experienced teachers who merit election into the LMEA Hall of Fame.

We love teaching music! It is our heart! It is life!
