# LOUISIANA MUSIC EDUCATORS ASSOCIATION ALL-STATE CONCERTS

WOMEN'S CHORALE   MIXED CHOIR   ORCHESTRA   JAZZ BAND  
CONCERT BAND   SYMPHONIC BAND

Crowne Plaza Executive Center | Baton Rouge, Louisiana  
November 21-25, 2019

As President of the Board of Directors of the Louisiana Music Educators Association (LMEA), I would like to personally welcome you to our 2019 Professional Development Conference. The 2019 Conference offers clinics and activities that have been planned with you and your students in mind. Clinicians and specialists will present ideas and resources through the many clinic sessions that will enrich and expand our own teaching skills.

In addition to the professional development opportunities afforded to you, our conference also showcases our All-State students. These students have been selected as the "best of the best" across the state of Louisiana. Students selected to perform in our elite "All State" Ensembles auditioned first at their local, or district level, and then again at the state level. The level of musicianship of our students is extraordinary and I am proud to say these students represent what is good in education. LMEA is also proud to recognize the academic achievements of these students with our "Academic All State" Medal that is awarded to those sophomores, juniors, and seniors who have a GPA of 3.5 or higher. Congratulations are indeed in order for each student selected as a member of an LMEA All-State performance ensemble.

Our LMEA conference is extremely proud to be joined by university officials who are here to give our students an opportunity to connect with options for higher education. Our universities are second to none in the nation and LMEA appreciates their continued support of our conference. In addition to our universities, the business community is represented on-site with exhibit booths for local, state and national companies that offer products and services available to our membership. We are also fortunate to have companies who will capture memories through pictures and videos of our all-state concerts, keepsakes you will want to purchase.

The LMEA Board is a partnership of 31 music educators who invest their time and ingenuity into the excellence of this conference. Please note the names of our friends listed in the concert programs who provide instruments, risers, and other needed resources for our musicians. And of course, the conference could not happen without the support of families and community members who value the inclusion of music instruction in education. You have every reason to be proud of the accomplishments of these talented and disciplined young musicians. I am certain that you will appreciate the artistic level of performance achieved by our all-state students, their dedicated teachers, and their renowned guest conductors. Be sure to pick up a concert program on your way into the performance hall.

At the beginning of our concerts we recognize and award individuals who have made outstanding contributions toward excellence in music education: Administrators who advance the arts in their school or parish system; music educators who display major accomplishments within their first five years of teaching; and experienced teachers who merit election into the LMEA Hall of Fame. We appreciate your indulgence and we recognize these individuals.

I would teach children music, physics, and philosophy; but most importantly music,  
for the patterns in music and all the arts are the keys to learning.

### DENIS DIBLASIO, CONDUCTOR

The 2019 LMEA All State Jazz Ensemble will be led by Mr. Denis DiBlasio. Baritone saxophonist, flautist, educator, composer, arranger, Executive Director of the Maynard Ferguson Institute of Jazz at Rowan University, and head of Jazz and Composition programs at Rowan University.

DiBlasio is an internationally known clinician, performer, and educator for the Yamaha Music Corporation of America. He is a published author of five texts on jazz improvisation and a recording artist for Encounter Records with nine CDs under his own name. Various articles, compositions and arrangements are with publishers Jamey Aebersold, Belwin, Hal Leonard, Kendor, Doug Beach, Roncorp, Vandoren, Kjos, Northeastern Music, Warner Brothers, Flute Talk, Saxophone Journal, and more.

Keeping things simple, honest, and positive keeps his schedule extremely busy booking dates sometimes three years in advance. Relevance, attainability and fun make up the foundation of his friendly approach. "His inspirational connection with young musicians is what makes a DiBlasio clinic so special. It's what some people have termed 'Edutainment'. Why not?"

LMEA wishes to express sincere appreciation to everyone who had a part in the presentation of the 2019 All-State Jazz Ensemble. We also offer thanks to Patrick Bordelon (Central High School) for audio equipment and operation.
