

Louisiana Music Educators Association

Student Release of Information Form

“Music’s Impact On My Life”

Federal and State laws require the permission of a parent/guardian as it pertains to the release of their student’s name, school affiliation, and limited identifying information when that information is to be shared with an organization external to a school system, including the Louisiana Music Educators Association.

LMEA believes music is as an essential subject, with lifelong benefits. As part of our “Advocate for Music Education” project, we are encouraging current or former musicians to submit their stories, either as a statement or a video, to illustrate how music has positively impacted their lives. We will be sharing those narratives to support our effort to advocate that all students should receive the highest quality music education.

What student information will be collected?

- Name, address, narrative of “Music’s Impact on My Life”
- School (optional, but will be included if submitted)
- Photograph(s) or video (optional)
- Student or parent’s phone number and email (will not be published or shared in any form)

How will the information collected be used?

LMEA will be sharing advocacy narratives through its various online resources, printed resources, and other media outlets. We may share the narrative with our affiliated partners as is legally appropriate.

Louisiana Music Educators Association’s Advocacy Project Student Release of Information Form

As the parent or legal guardian of the student named below, I grant permission for the Louisiana Music Educators Association (LMEA) to use my child’s name, narrative, and limited identifying information (as described above), along with any uploaded pictures or videos as part of its “Advocate For Music Education” project. LMEA will share advocacy narratives through its various online resources, printed resources, or media outlets and may also share them with our affiliated partners as part of our effort to advocate that all students are entitled to the highest quality music education.

I certify that I have reviewed and approved my child’s narrative and any related materials uploaded on LMEA’s form, “Music’s Impact On My Life.” I understand that any images or video submitted may be edited to meet size, length, or formatting requirements and narratives may be edited for length and spelling/grammar. I also understand that neither my child nor I will receive any royalty, fee, or other compensation for such usage.
