Conference Program Price List and Information for 2021-22

This year we are extending the advertisement portion of the All-State Concerts program to include exhibitor advertisement. We will be creating a single professionally printed program that will include all concert programs, the conference schedule, university exhibitors, and your advertisement. You have the option to purchase a ¼ page, ½ page or full page. LMEA will be printing 3000 programs to be distributed to all conference attendees and All-State parents. A proof of the 2019 program can be found using this link: <https://www.lmeamusic.org/all-state-programs/> (The 2022 Professional Development Conference will include a price increase in the cost of the first table so that we can include a 1/4 page ad for all exhibitors. You will still have the option to select a larger size at the additional cost we're charging this year.)
